

Revision Date: 8/11/15

### **FDA Status**

Pinnacle 7135G as marketed by Pinnacle Polymers Company, in natural, uncolored pellet form is cleared by way of FCN 1538 for use in single- and repeated-use articles intended to contact food types I, II, IV-B, VI, VII-B and VII under the Food and Drug Administration's (FDA) Conditions of Use B through H. FDA has not evaluated the use of this product in contact with infant formula or breast milk.

It is, however, the responsibility of the customer to determine that the products fabricated from this material are acceptable to the FDA for use in their intended applications.
